

Liberal

Chose forward

Justin Trudeau

Was born in the year 1972 in Ottawa Ontario. Son of a former prime minister Pierre Trudeau. He was a french and math teacher in Vancouver B.C .

Economy

If the liberal government they would make the minimum wage 15\$ instead of 13\$. Which means if you work at tim hortons now you would make 13\$ but if the liberals are elected it would be 15\$.

Health Care

If elected the liberals would make mental health much better. And keep improving homecare

Education and Training

If elected the liberals would invest 100 million\$ in to schools and university.

Childcare

If elected a liberal would make canada's child benefit 15% For kids 1 and under.
That will amount to 1000\$ for new parents.

Justice

If elected the liberal would ban semi automatic assault weapons and restrict handgun use.

Environment

If re-elected, the Liberal government would plant two billion trees in ten years. It would be part of a \$3 billion fund for all kinds of natural areas in Canada.
